

**Constellation Schedules Third Quarter 2023 Earnings Release and Conference Call, and
Announces Investors Day 2023**

Luxembourg, October 30, 2023 – Constellation Oil Services Holding S.A. (together with its subsidiaries, “Constellation” or the “Company”) will hold its third quarter 2023 earnings conference call at 10:00 a.m. BRT (9:00 a.m. EST) on Thursday, November 30, 2023. The earnings release will be issued on the day before the conference call at www.theconstellation.com.

The conference call will be webcast live at <https://choruscall.com.br/constellationoil/3q23.htm> . It is recommended that participants call 10 minutes prior to the scheduled start time.

A webcast replay of the call will be available on the same weblink through December 7, 2023.

Investor Day 2023

Constellation will also be hosting an Investor Day in Angra do Reis, Rio de Janeiro, on November 08, 2023, to provide investors and creditors with a company update, including information about our fleet status and performance as of third quarter 2023, financial guidance for the total year of 2023, and a rig tour to Brava Star drill ship. The event will be hosted in person only and the presentation will be shared at the IR website at www.theconstellation.com .

The event will include presentations by Constellation CEO Rodrigo Ribeiro and other members of the management team. The Company is offering 1-on-1 virtual meetings to investors and creditors that are unable to attend the in-person event. Please contact the IR team for an appointment at ir@theconstellation.com .

About Constellation

Constellation is a market leading provider of offshore and onshore oil and gas contract drilling services through its subsidiary Serviços de Petróleo Constellation S.A. (“Serviços de Petróleo Constellation”). With continuous operations since 1981, Serviços de Petróleo Constellation has built an unmatched reputation for excellence in offshore and onshore drilling services, obtaining ISO 9001, ISO 14001, ISO 45001 and API Spec Q2 certifications for its quality management, environmental and safety records and systems.
